Rite Aid CSMP Never Increased 033111.xls (46.59 kB)

Andy,
Please see the attached file of stores that have not been increased. Keep in mind that there is only one more ordering day left for the month of March. There were 2 more ordering days this month than average months, which resulted in more stores hitting their thresholds.

I can submit an increase for the attached stores if you need it. Please let me know what percentage would you like to increase these thresholds?

Thank you,

Jenna Nichols

Mike, Jenna

480 locations on here. That means over 10% of our locations hit or came close to a block of some sort this month.

Can we take another look at ones that made it on here that have never had the initial bump again?

Andy
